CANCER AID RESOURCE & EDUCATION, INC. THIRD-PARTY EVENT INFORMATION

Thank you for your interest in supporting our local community by benefiting Cancer Aid Resource & Education, Inc. (CARE). CARE's focus is to provide financial assistance to cancer patients and their families to help them cope with their cancer treatment by assisting them with non-medical expenses/basic living needs expenses while they are in active treatment for their cancer, any type of cancer. Funds are disbursed directly to third parties.

We want to plan that your event/fundraiser is fun, safe and successful! We hope that you consider making your event/fundraiser an annual event/fundraiser! Please take pictures and submit them to CARE so that we may include them in our Facebook page.

A third-party event is any fundraising activity developed by a non-affiliated group or individual where Cancer Aid Resource & Education, Inc. has no financial responsibility and little-to-no staff involvement. Although we actively encourage third-party fundraising events, all such events must be approved by Cancer Aid Resource & Education, Inc. in advance.

This is an important safeguard to preserving the integrity of the Cancer Aid Resource & Education, Inc. name and our commitment to raise the funds necessary to fulfill our mission in a cost-efficient and effective manner. While we are happy to provide guidance for your event/fundraiser, we do not have the personnel to handle the organizational and administrative tasks associated with third-party events. Therefore, the event/fundraiser organizer is responsible for all details of the event/fundraiser, including:

- Underwriting all of the related costs
- Recruiting volunteers to help out at the event/fundraiser
- Publicizing the event/fundraiser
- Selling event tickets and/or finding participants
- Working at the actual event/fundraiser
- Sales of their product
